

The new Studio Prints Kintsugi range draws inspiration from the Japanese art of repairing broken crockery, celebrating an objects' unique imperfections.

Studio Prints collections are a contemporary interpretation of traditional studio pottery, and the intricate cracked design of Kintsugi features a subtle, reactive texture that makes each piece unique. The design is decorated underglaze, creating a protective layer for added durability and strength. The Kintsugi range is covered by Churchill's 5 year Edge Chip Warranty.
